To all CIVILWEEK 2026 Team Leaders

Following the completion of the **Preliminary Round of the International Concrete Competition (ICC)** as part of the **CIVILWEEK 2026** event series, organized by the Civil Engineering Student Association, Faculty of Engineering, Universitas Sebelas Maret (HMS FT UNS), we hereby announce the results of the Preliminary Round assessment.

We would like to express our appreciation to all teams that participated and submitted their best work in the International Concrete Competition (ICC) CIVILWEEK 2026. Based on the results of the Preliminary Round assessment, the following five (5) teams have qualified as finalists:

No.	Team Name	University
1	Orion 67	Institut Teknologi Sepuluh Nopember
2	BHUWANA CUBE	Universitas Muhammadiyah Surakarta
3	STELAR HDV	Universitas Pertamina
4	GENTAGA - A.I.U.E.O.	Politeknik Pekerjaan Umum
5	Lingglis	Politeknik Negeri Jakarta

Team leaders whose teams have qualified as finalists are requested to confirm their participation no later than November 4, 2026, at 11:59 p.m. WIB. Teams that fail to confirm their participation by the specified deadline will be replaced by the next participant with the highest score. The assessment results of all participating teams are provided on the following page.

Thank you for your attention.
